Customer Correction Branch
Application Processing Division
Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In view of the concurrently filed Declaration/Power of Attorney, we hereby request that the following items of information be corrected in the Filing Receipt for the subject application received in this office on February 2, 1999.

Correct the number of independent claims to "21". A copy of our firm's Claim Count sheet, indicating each independent claim, is enclosed for the convenience of the Patent Office.

In addition, please add the residential information for each of the inventors, and the priority information, as indicated on the enclosed Declaration/Power of Attorney document. Enclosed is a copy of the Filing Receipt with changes noted in red. Please make the changes as noted above, and issue a Corrected Filing Receipt.

Since the error in the claim count was made by the U.S. Patent and Trademark Office and not by Applicants or Applicants' Attorney, it is understood that there are no additional fees for the requested corrected Filing Receipt.

Respectfully submitted,
